Inline quality assurance, production monitoring, inline & final inspections

Competitive Advantages in Bangladesh

01

World-Scale Manufacturing

One of the largest apparel
manufacturing countries globally

02

Price Competitiveness

Exceptionally competitive pricing
across all product categories

03

Strong Backward Linkage

Full supply chain depth from raw
materials to finished goods

04

Technical Talent

Abundant technical and
managerial resources available

05

DDP & DDU Logistics

Multiple logistics options for best
pricing to any destination

06

China FOC Materials

Experienced in handling free-of-charge
materials from China

Quality Comes First

Our quality assurance covers every stage of the process — from raw material IQC to delivery.

IQC**Incoming Quality Control**

Raw material inspection at source

INL**Inline Inspection**

Production process monitoring at every step

FIN**Final Inspection**

Pre-shipment check against compliance & excellence standards

DLV**Delivery**

Garments meeting every compliance standard, on time

Strong Backward Linkage

We source and develop across the full materials spectrum — fabric to packaging.

● Twill & knit fabric

● Embroidery

● Heat seal

● Zipper & grommets

● Washing & printing

● Elastic & drawcord

● Labels & hang tags

● Thread, carton & poly

Backward Linkage

Our Product Range

We specialize in premium activewear, kidswear, and a wide variety of jackets and bottoms.

Activewear

All types of athletic & performance wear

Kidswear

Comfortable, durable children's apparel

Jackets

Various styles for all seasons and markets

Bottoms

Shorts, long pants, joggers, cargo pants

Don't see your product? Reach out — we'll develop it for you.

From Brief to Delivery — Seamlessly

01**Initial Brief**

Client shares product requirements, target price, quantity, and delivery timeline

02**Factory Match**

We identify and vet the best-fit manufacturer from our approved vendor network

03**Sample Development**

Proto and fit samples developed; revisions handled until the client is satisfied

04**Price & Contract**

Final costing agreed, purchase order confirmed, and production schedule locked

05**Production & QC**

In-line and final inspections carried out at every critical stage of production

06**Delivery**

Goods shipped via sea or air with full documentation and customs support

THE BARAKAH ADVANTAGE

Your Trusted Sourcing Partner in Bangladesh

We eliminate the complexity of overseas manufacturing so you can focus on your brand, not logistics.

- No language barrier — we speak your language
- Dedicated on-ground presence in factories
- Real-time production updates & reporting

Barakah Sourcing

Why Choose Barakah

One Point of Contact

A single dedicated account manager handles design, production, QC, and logistics — no chasing multiple vendors.

Transparent Costing

Itemised cost breakdowns with no hidden fees. You know exactly what you pay for at every stage.

Fast Turnaround

Sample approval to bulk delivery in as little as 45 days with our streamlined production network.

Risk-Free Quality

Three-stage inspection programme means defective goods are caught before they leave the factory.
